

## Here's What You Need To Know

### Exasol Training Courses in Nuremberg, Germany

#### Getting to Exasol

Exasol's headquarters are located at **Neumeyerstraße 22-26, 90411 Nuremberg**. Access to the offices is via Neumeyerstraße 24. Simply take the elevator to the 6th floor and register with reception.

#### Using public transport

Take the underground line U2 to the station **Herrnhütte**. The U2 runs directly from Nuremberg central station and from Nuremberg airport to **Herrnhütte**. From there, it is either a 10 minute walk to the office or you can take bus **routes 30 or 31** and alight at the stop called **Schafhofstraße**. The entrance to Neumeyerstraße 24 is 100 metres ahead of you on your right.

#### Arriving by car

Parking spaces at our offices are limited. There are a limited amount of parking spaces in car park 1 ("P1") which is situated directly behind the building. The parking fee is not included in the training price.

We therefore recommend that you use the **Park & Ride** service at **Herrnhütte** underground station. From there, it is either a 10 minute walk to the office or you can take the bus as detailed above.

#### Accommodation

We recommend that you stay at the following hotel in Nuremberg:

**Acomhotel Nürnberg, Leipziger Platz 22, 90941 Nuremberg** – [www.acomhotels.de](http://www.acomhotels.de)

Please contact the hotel **directly via mail ([nuernberg@acomhotels.de](mailto:nuernberg@acomhotels.de)) or phone (+49 (0)911/6505 990)** and use the code **EXSANU** in order to secure a special rate. The hotel also offers a two day pass for public transport at a special rate. Please inform the hotel whether you require such a ticket when booking your accommodation.

#### Preparing for the training course

In general, training courses run from 9 a.m. until 5 p.m. including breaks. If you would like to start at a different time, please contact us.

The training course will include several hands-on exercises, so please bring your own laptop.

The connection to the training database is established via port 8563. Please make sure that the port is opened in your firewall settings.

The training course entitled **Exasol Certified Operations Engineer** also requires the ports 1234 and the ports 8564-8573 to be opened.

Throughout the training course, we offer hot and cold drinks as well as lunch.

#### Questions?

If you have any questions prior to the training course, please contact us via [training@exasol.com](mailto:training@exasol.com).

We wish you a pleasant journey and we look forward to seeing you in Nuremberg.
